 - Riders Insight
- The FURIOUS is top notch! It matches my style. I use it on DH tracks as well on big freeride jumps. Because of my riding style I like to attack and jump when exiting corners. We can really play with this bike, it suits me perfectly.**Kyle Strait**This bike is perfect. My favorite bike I've ridden!**Idj Brandt**I've already done a lot of trails and I feel extremely good on this bike. I am surprised how light it is!**Andreu Iacondeguy**To be honest, in terms of first feelings, it's just so easy to pick up speed!**Andreu Iacondeguy**The FURIOUS is really the perfect bike to ride bike park! At the same time it's crazy playful, stable and strong??? It's the ideal bike if you want to shred the bike park all summer long!**Hugo FRIXTALON**
